De nuestra consideración:

We are communicating our intention to organize a technical meeting to discuss the future of roller hockey.

This meeting would have the presence of the CIRH, roller hockey leaders of all countries of America and guests from around the world to discuss responsibly on the future we want for roller hockey. This discussion will not only modifications of technical rules but also the modernization of roller hockey adopting radical changes that have taken place in other world-class sports such as Football, Volley, etc.

Our offer through our affiliate the Confederación Argentina de Patín, is to provide housing, food and internal transport to 2 people per country as well as the same conditions for the IHRC for 2 nights.

The date we recommend for this meeting will be May 20th – 22nd.

We await your response as soon as possible for invitations and other organizational matters.

Sincerely,

MARCELO D. MARTINEZ
Secretario General CSP

MOACYR N. JUNIOR
