# Results with Style-Dance with Calculating 2013

Within this year there will be a new edition of the calculation application available. Until then the following instructions will help you to use the current version „Calculating 2013“ to calculate results in dance following the new regulations.

## Preparation of the Competition

### Competition Components and Compulsory Dances

Please follow these steps

1. Select all competition components (Compulsory Dances, Original Dance which will be the Style Dance and the Free Dance)
2. Select the number of Compulsory Dances (There will be one Compulsory Dance)
3. Select the Competition Relation. We will have to change this later.
4. Save it!

## Enter the Competition Releation

Please follow these steps

1. Select in the menu “Extra” the option “Set Competition Relation”.
2. Enter the factors as shown in the picture below.
3. Press “OK” to confirm the changes.

The following factors will be used

Component	Factors	Relation
Compulsory Dance	1,0	25%
Style Dance	0,7	35%
Free Dance	0,8	40%

# Verify your Modifications

To make sure the modifications has been accepted by the computer program select once again the competition relation view.

The new entered factors will be shown as in the given picture.

The entered factors will be schon in the section "Competition Releation". Please verify that the values correspondent to the ones shown in the picture.

The table below is not updated when you manually override the factors!
